UNITED REPUBLIC OF TANZANIA
MINISTRY OF TRANSPORT
NATIONAL INSTITUTE OF TRANSPORT

THE 4th INTERNATIONAL CONFERENCE ON TRANSPORT, LOGISTICS AND MANAGEMENT

MLIMANI CITY CONFERENCE CENTRE   **20th – 21st AUGUST, 2026**

MAIN THEME
TOWARDS SMART, GREEN, INTEGRATED AND RESILIENT TRANSPORT AND LOGISTICS FOR SEAMLESS CONNECTIVITY AND TRADE FACILITATION

SUB-THEMES

Logistics and Smart Transport Systems
Covers logistics and supply chain management, transport operations, intelligent transport systems, Artificial Intelligence and Machine Learning applications in transport and logistics, real-time traffic management, cybersecurity in transport networks.

Modernizing Transport Infrastructure for Sustainable Mobility
Addresses infrastructure planning, design, construction, maintenance and renewal practices, multimodal integration, corridor development, and lifecycle asset management to improve efficiency and resilience.

Safe, Green and Affordable Transport Mobility
Addresses accident prevention, safety management systems, regulatory compliance, infrastructure safety standards, emergency response, decarbonization, electric vehicles, alternative fuels, energy efficiency, climate-resilient infrastructure and affordable mobility.

Strategic Partnerships for Financing Transport Infrastructure and Operations
Addresses transport economy analysis, collaborative investment models, risk-sharing frameworks, innovative financing approaches, and performance-based contracting to improve service delivery and infrastructure funding.

Cross Cutting Issues in Transport and Logistics
Covers accessibility, rural connectivity, gender-responsive planning, transport governance, and transport's role in expanding access to jobs and essential services.
